

The Chichester College

An exceptional school with an outstanding quality of education

Located in the heart of the city, with a beautiful view of the cathedral, Chichester College offers an outstanding quality of education by focusing on building students' skills and confidence. The aim of Chichester college is to help students to grow through a process of personal development and learning.

By providing a range of academic and vocational subjects, Chichester College is a distinctive world-class school which welcomes thousands of international students each year. With its well experienced teachers, the Chichester college inspires and supports students to commit to their studies to achieve high results and their personal goals.

Students receive attentive and remarkable careers advice and guidance to ensure they are well informed about which path to undertake and their next academic step. During their academic course, students can benefit from accessing diverse and excellent sport and fitness facilities which are considered a precious asset for students' learning and growth process.

The Chichester College encourages students to learn and mature in atmosphere of trust, respect and integrity as well as aiming to offer an excellent and innovative learning system.

ACCOMMODATION AT CHICHESTER

The Chichester College provides secure on campus accommodation for up to 90 students offering single and twin-bed study bedrooms with en-suite or shared bathroom facilities. Shared accommodation is a great way to learn about new cultures leading to a truly international experience. The cosmopolitan thinking this generates is a hugely positive experience both academically and socially. Along with the accommodation, 24 hour a day support is available by trained supervisors. There are communal areas where students can socialise with other students and share their experience.

Students love the warm and friendly atmosphere of the accommodation campus, which is considered a home away from home. There is a full programme of weekend and evening activities for students to take part and get involved in. Whether students are interested in history, culture, nature outdoor exercise, there are many places to visit during the students' programme. The Chichester accommodation team also arranges monthly excursions to London, Brighton and Oxford. Students choosing full board accommodation on campus will have a deep and immersive experience in the British culture.

Sport facilities

The Chichester College boasts fantastic facilities, including a well-equipped gym, where students can benefit from diverse fitness classes and an eight metre rock climbing wall. Students are given the chance to work out in a functioning gym under the supervision of qualified instructors. Students will have the perfect balance between independent training and help from a professional figure where required.

The eight-metre rock climbing provides a different range of routes for both new and expert climbers. For new and inexperienced students, there are beginners courses covering basic skills and techniques to learn to climb. Alternatively, there are also advanced courses, more technique focused, which are aimed at the competition climber.

The Chichester College offers an important sport facility structure where students will have the chance to experience different activities and

WHY CHOOSE CHICHESTER?

FEMALE FOOTBALL ACADEMY

Chichester College's Female Football Academy are the reigning National and Sussex Champions and operate with a philosophy to develop every player as an individual and as part of the team. Students will be supported with technical and tactical training, sports therapy and regular matches with the aim to develop through into local level club and national teams.

FOOTBALL

Chichester College has a strong football pedigree with several players representing England in college competitions around Europe and others even going on to forge successful playing careers, including in the Football League. Chichester is also home to a Football Academy, affiliated with Bognor Regis FC – which offers students a pathway to playing football at club level.

RUGBY

The role of the Rugby Academy is to identify and develop talented young athletes from age 16 to 19 and engage them in a high-performance development programme. Chichester College provides students with an environment in which they can grow, express themselves both personally and professionally, and achieve their dream of becoming professional rugby players.
