PORTSMOUTH

Portsmouth is a highly popular and dynamic island city located on the beautiful south coast of England. With miles of beautiful waterfront, a rich maritime history and a lively and stylish city centre, Portsmouth is the perfect coastal destination that truly offers something for everyone.

International high school students who choose to live in Portsmouth will have a wealth of exciting things to do in their spare time. Their weekends can be spent exploring the city's many world-class visitor attractions, museums and unique shopping and dining destinations, or trying out watersports, taking boat trips to nearby islands or discovering local castles and nature reserves.

THE 'BE EXTRAORDINARY' PROGRAMME

There's a lot more to Havant College than just gaining qualifications. The pioneering Be Extraordinary programme is designed to provide opportunities for all students to explore beyond their curriculum choices and enrich their student experience. Be Extraordinary allows students to participate in a range of activities focusing on Being Active, Being Employable, Being Involved and Being Adventurous. The activities, which range from work experience and university preparation to school trips and playing sports, all aim to develop students' knowledge and skills and provide building blocks for their chosen future pathways.

WHY CHOOSE HAVANT COLLEGE?

EXPERT LECTURERS

Whatever course type students choose, they will be taught by dedicated and experienced lecturers who are experts in their field. Havant teachers are committed to making lessons interesting and interactive and making sure students get everything they need to achieve their aspirations. Lecturers teach tips and tricks of the industry and pass on their own experience and excellent industry connections, whilst teaching students the key skills they will need to stand out from the crowd when applying for work or university.

STATE-OF-THE-ART FACILITIES

Students can benefit from the wide range of modern facilities across the Havant campus. Dance studios, science labs, recording studios, a fully-equipped gym and 4G AstroTurf pitch, art studios, study centres, libraries, a sensory room – the list is endless. Between lessons, there are also plenty of social spaces for students to grab lunch or a coffee with friends.

TIMETABLE

Lessons start at 10 am and you will study 5 hours per subject each week. Havant College want the best from students which is why they have adapted the A level start time to fit with your body clock. They have been working with the university of Oxford on an academic study to demonstrate just how effective this is.
