For  
students  
aged 16-18

# Welcome to InterStudies College Select

## Quality programmes

At InterStudies we offer a wide range of high quality options for international students to study in the UK - from short term taster programmes to a full set of A-level exams, giving access to a British university.

Helping international students pursue their dream of a classic English education, we work with selected colleges throughout the UK in both the state school sector and privately funded institutions.

## Choosing the right college

Each student has individual needs and requests and our experienced admissions team is ready to assist you with making the right choice. Students can opt for us to choose their college if applying for our Basic College Programme or they can apply for a specific college. Each college offers a wide choice of subjects, different facilities and a range of activities.

While some students prefer the homely environment of a host family, others are looking for complete independence. Depending on their choice of college, students may have a choice of accommodation with either a welcoming local host family or a group of fellow students in halls of residence.

## Working with a professional partner

At InterStudies we support our partner organisations with a first class service, ensuring that we provide the most relevant option to suit the needs of each individual student.

When selecting a college we look for superb educational quality, a desirable location, great atmosphere and an extensive range of courses to give our students the very best college learning experience the UK has to offer. We are happy to say that we work with a carefully chosen selection of the best very colleges in the United Kingdom.

**We look forward to welcoming your students!**

# Studying in England

## College life

With a wide range of locations from lovely rural settings to city life in London we are able to cater for different styles of everyday life around the school day.

All of our colleges offer a wide range of extracurricular activities and sports. Our admissions team will be happy to help you find the right college for any students with special interests or specific requirements.

Experienced pastoral staff will help each student make the most of their time in the UK.

## Taster programme or complete qualification

Whether a student is looking to experience college life for a couple of weeks to get a taste of British education, is intending to complete a qualification to gain access to university, or is looking for something in between, our educational advisors are on hand to help you choose the best programme for each student.

A wide range of courses are available to suit all academic levels and ambitions whether looking for an academic qualification or pursuing an interest during a gap year. From A-levels to IB, International Foundation programmes or vocational qualifications, we will help you put together an academic programme to meet each student's individual needs.

## Vocational options

Most colleges offer a range of alternatives to academic programmes, which is a great gap year option or an opportunity to pursue an interest. Theatre, music, football, tourism, horse grooming - the possibilities are numerous.
