BOURNEMOUTH

Bournemouth is a highly popular and dynamic town located on the beautiful south coast of England. With over 11km of sandy beaches, lots of beautiful parks and gardens and a cosmopolitan atmosphere, Bournemouth is the perfect place to experience laid-back seaside life in the UK. Nearby Poole is Europe's largest natural harbour and is a hub for watersports such as kite-surfing, wind-surfing, sailing and jet-skiing.

International high school students who choose to live in Bournemouth will have a wealth of exciting things to do locally in their spare time, and with London less than 2 hours away on the train they also have easy access to the capital to enjoy great days out.

STEM CENTRE

The Bournemouth and Poole College STEM Centre is a focal point to enhance and enrich the student experience of STEM subjects and to help them become aware of the wealth of opportunities in STEM related careers. The centre has been developed in partnership with NEF (New Engineering Foundation) and industry representatives to provide high quality education and training and to facilitate events and activities. Students will have the opportunity to study emerging technology fields such as Biological Sciences with access to cutting edge laboratories. The college's innovative approach to Maths education prepares students for the world of work. Employers provide work placement opportunities and ensure the college's courses are aligned to current workplace practices, both of which provide students with the competitive edge.

WHY CHOOSE THE BOURNEMOUTH & POOLE COLLEGE?

OUTSTANDING SUPPORT FOR INTERNATIONAL STUDENTS

From the moment they arrive to the day they leave, international students at The Bournemouth & Poole College can be assured of the very best care and support. With over 20 years of experience and a prestigious Beacon Award to recognise their excellent support of international students, the college's International Team is able to help students in every way and also organises a range of activities and excursions for them.

STATE-OF-THE-ART FACILITIES

The college has excellent facilities including computer suites, libraries, study centres, learning resource centres, laboratories and workshops, a professional theatre, dance studios and kitchens. The Music Centre is a specially designed facility housing fully-equipped rehearsal rooms and recording studios.

EXCELLENT PROGRESSION

International students from the college have successfully gained entry to top universities across the UK including Oxford, Cambridge, Durham and the London School of Economics (LSE). To ensure that students have the best career start, the college provides advice and guidance on next steps, and assistance with visa queries and university applications.
