HIGHLIGHTS

Outstanding range of courses and support for international students!

- Over 50 courses available spanning a wide range of interests and specialisms, plus academies for sports, STEM, Performing Arts and Visual Arts.
- Personal tutor for every student, providing excellent guidance and pastoral support.
- Study programmes can include a mixture of A Level and BTEC courses.
- Dedicated staff that focus on the most up-to-date teaching and learning methods.
- An extensive variety of extra-curricular opportunities on offer, and superb facilities in which to enjoy them. In their spare time students can get involved in Model UN club, chess club, table tennis, scriptwriting, LGBT society, college band, choir, and football, to name but a few options.
- Beautiful coastal location and under 1 hour on public transport from the city of Brighton.
